

Serial No. 10/742,346

REMARKS

Claims 1-14 are present in the above-captioned application and have been subjected to restriction under 35 U.S.C. §121 as follows:

- I. Claims 1–11, drawn to a medical device comprising an implantable structure, classified in class 604, subclass 523.
- II. Claims 12-13, drawn to a medical device comprising a delivery structure, classified in class 604, subclass 264.
- III. Claim 14, drawn to a method for treating restenosis, classified in class 514, subclass 762.

Applicants elect Group I, corresponding to Claims 1-11.

Claims 1-11 have also been subjected to species restriction under 35 U.S.C. § 121. Applicants do not believe a species requirement is appropriate here, but elect Claims 1-11 which read upon trichostatin A, a polymeric coating and a rapamycin.

Serial No. 10/742,346

Respectfully submitted,

/Carl J. Evens/
